Haut-Médoc Giscours has been elaborated from the historical Giscours' Haut-Médoc appellation vines (60 ha in total).

Since its creation, in 1992, this wine is vinified by our teams with the same care that leads the elaboration of our grand cru classé, Château Giscours.

Our Haut-Médoc plots have benefited from the ideal conditions of 2020. The resulting Haut-Médoc is a generous wine with a rich bouquet of sun-drenched fruits. Haut-Médoc Giscours 2020 is an enjoyable, convivial and delightful wine; full of aromatic brilliance, the perfect illustration of Giscours' identity.
